# The Mysterious Butcher

## Chapter 1

A man came to visit his father. When he opened the door, he saw him, he was cut in pieces so the man was shocked. He called a famous detective who came a few minutes later. He didn't know what to do. The man begged the famous detective to resolve the crime. He said he had a lot of money to pay him.

## Chapter 2

A man was walking not too far from the house of his father. The night

before, he saw a man with a chopper and a bloodstained t-shirt. That's why he thought he was the criminal but the detective knew it wasn't him because he knew he was a butcher. The detective bought some meat the same evening with this butcher.

## Chapter 3

The detective found the criminal, her name was Vaikuahau, she was the wife of the father's son. She wanted the money of the father, because he was rich and she married his son to get the money of his father. The detective found it was her because she forgot to wear gloves and they did a DNA test plus she had a bloody dress.
